Merchant processing cost comparison is based upon the calculation of the rate and associated per item cost as determined by the three (3) most recent processing statements with a date less than four (4) months old. Please allow 6 to 8 weeks for receipt of your two \$500 gift cards. The awarded gift cards are not returnable, refundable, or reloadable, and cannot be used to make cash withdrawals. Use of awarded gift cards in certain provinces and other countries may be restricted by law. Use of awarded gift cards may be restricted at some online merchants, including pay-at-the-pump transactions. The awarded gift cards are subject to restrictions, fees, limits, or costs established by the prepaid gift card issuer.

The following business and rate types are excluded from this offer: any merchant that is already processing payments with Elavon, or using proprietary mobile programs (e.g., Square), merchants priced below established card network interchange costs, franchise locations accepting payments under a corporate pricing program, association membership, trade group, or warehouse pricing, petroleum merchants, and merchants processing through a third-party network. Offer may be extended, modified, or discontinued at any time without notice at the sole discretion of Elavon.
